General Information

This summer the Arlington Band Boosters will again sponsor a six-week summer music camp for all instrumental music students in grades 4 through 6. This year the program returns back to **Arlington High School** and runs from July 1 to August 8.

The summer program is designed to give your child a wide variety of musical experiences. The pleasure of performing new music as well as old favorites should encourage your child to improve on his or her instrument. Summer participation can also help avoid the great amount of regression caused by long vacations.

We realize that many will be away during part of the summer music program. We hope that this will not discourage you from enrolling your child those weeks that attendance is possible.

In order to make this program self-supporting, it is necessary to charge a participation fee for all ensembles and lessons. These fees should be paid in advance and returned with the registration form. Save 25% off the weekly price when you register by June 1st. We cannot accept checks after July 8th, Cash only.

Small group lessons are also offered for those students interested in additional instruction. This is an excellent opportunity for youngsters to have that special help that can be so beneficial. Lessons take place once a week for 30 minutes and occur in the late morning after the band/orchestra rehearsal. The cost for **lessons is only \$10 per week.** Postcards will be mailed home the week before camp begins with lesson day & time.

The Arlington Summer Music Camp will be held at **ARLINGTON HIGH SCHOOL.**

Summer Band/Orchestra camp keeps your child's interest up by providing daily experiences playing their instrument with classmates and students from around the district.
